

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner requested permission for an examiner's amendment to claim 7, line 10 and claim 12, line 10, changing "at least one impulse response" and "an impulse response," respectively, to "the impulse response" to indicate that this is the previously calculated impulse response and avoid a possible claim objection. Applicant agreed by telephone on 5/6/2010.
